INTRO

Happy Belly Kitchen is a gluten-free bakery-café with an open kitchen. For us, gluten-free isn't a side note – it's the whole promise: people who had to be careful for years can choose freely with us again, without a second thought. As Independent Cook, you're the craftsperson who delivers on that promise every single shift.

WHAT YOU'LL DO

- You independently prepare dishes and recipes and safeguard flavour, doneness and presentation.
- You keep allergen flows separated and act as the final check before the plate leaves the kitchen – for us that's the core of the craft, not a checkbox.
- You provide technical leadership to kitchen staff and helpers and coordinate smoothly with front of house and bar.
- You manage stock, orders and FIFO and keep your workstation clean and organised.
- You help think through the menu and smarter, better working methods.

WHO YOU ARE

- Hands-on. You take charge yourself and keep an overview, even when it's busy.
- Eager to learn. You're open to new methods and techniques such as fermentation and share what you know with colleagues.
- Caring. You take care of your work, your team and your guests.

- Confident. You hold your own in the kitchen and aren't afraid to be watched closely.
- Helpful. Our guests ask you questions; together with the team, you're ready to answer them.
- Experienced. As an (independent) cook and/or holding a relevant vocational diploma in an equivalent role.
- Willing. You're open to an international environment and can also communicate in English.

SAFE FOR EVERYONE

100% gluten-free, without compromise. That's why our guests keep coming back — and why your work truly matters.

WHAT WE OFFER

- A salary in line with the Horeca CAO (Dutch hospitality collective labour agreement), market-based on your experience.
- Flexible working hours, adapted to your lifestyle.
- 25 vacation days (based on full-time).
- Room to grow within a small, ambitious team.
- Staff discount on our products and coffee, even in your free time.
- A friendly, professional work environment where you can develop yourself.
